

67 counties • county seat ★ state capital (Montgomery)

This map displays the 67 counties of Alabama, each labeled with its name and color-coded. The counties are arranged in a grid-like pattern, with some variations in shape and size. The colors used are: light blue, light green, light orange, light purple, and light yellow. The map also shows the surrounding states: Tennessee to the north, Georgia to the east, Florida to the south, and Mississippi to the west. The Gulf of Mexico is visible to the south and west of the state. The capital city, Montgomery, is marked with a red star in Montgomery County.
